

Hi sir,

My name is Rajan kumar. I am basically from Bihar. I have completed my graduation in Bachelor of Engineering from Shri Vaishnav Institute of Technology and Science. Currently I am working as a Corporate Channel Manager in Clickhappiness company. It is basically a elearning company which organises various workshops for the people. Here my job is to built a good and healthy relationship with the other companies. I have done an internship as Hr generalist in Peacocksolar. By this internship i learnet how to communicate with new people and deal with the pressure. I have completed a certification course of Autocad by 'Enjo's for Engineers'. I have passed 'B' and 'C' certificate exams of NCC. I have completed almost 2 hours of flying a microlite as a copilot. During college I was part college cricket and kabaddi team. I have represented my university team in Kabaddi. Last year i begged a bronze medal at senior state wrestling championship. During NCC I attended various national camps, where cadets from different states participated . There we I learnt about there culture and lifestyle. In NCC various awareness programs were held for the people. Comming to my hobbies, I love to travell to new places and learn new skills. I also love to watch movies in my free time. I am a very hard working person with very addaptive nature. I am very punctual to my work and strive to finish it in allotted time with accuracy, this i count as my Strength.

Thanks.
